

4. Solo – Over The Country

Round and round and round we go,
sky above and earth below.
To oversee the country, just hold on.
Here's our house and the playground,
a memory of things to come.
Listen to me, when you think it's gone.
Whatever comes of this,
tomorrow never knows.
I'm far away and close,
on your radio in a song that goes.
We're floating over waving hands,
slow rivers, flattest land.
Hear what can be heard there on the ground.
Bells are ringing, choirs singing,
people bringing praise in churches.
Listen to us, we believe in sound.
Round an round,
in cities and through towns.
It all comes down to airwaves filled with sound.

5. Reborn – Don't Ever Go

You,... left with suitcase in hand, unplanned.
I know,...
That you... told me why in a note so I'd understand.
And even thought you'll be back again
it's my heart that keeps on asking me when.
'Cause now I've time to think about it, I know.
All of your life, you've been so strong.
And you gave us so much time to belong.
The feelin' is right, I know you're the one.
And all this time alone has left me thinking,
that I,... need you so,... don't ever go.
You... you know me inside and out.
I've no doubt, that it's love.
'Cause you... you came and turn me around and I found,
you're enough.
Now we're apart, for just a short time,
I need to tell you how you're on my mind.
'Cause now I've stopped and thought about it, I know.
All of your life, you've been so strong.
And you gave us so much time to belong.
The feelin' is right, I know you're the one.
All the memories of you've got me thinking,
That I,... I want you so, ...
I'm counting down the days for you to come home.
And I'm just lyin' in my bed on my own.
I tell you baby.
Sleepless nights are so frustrating. I'm tired of all this
complaining
All alone at the end of the phone.
All of your life, you've been so strong.
And you gave us so much time to belong.
The feelin' is right, I know you're the one.
And the photographs of you've got me thinking,...
That I,... I love you so,...
Don't ever go.
You left with suitcase in hand, unplanned.
I know

6. Nick Cave & the Bad Seeds – Into My Arms

I don't believe in an interventionist God
But I know, darling, that you do
But if I did I would kneel down and ask Him
Not to intervene when it came to you
Not to touch a hair on your head
To leave you as you are
And if He felt He had to direct you
Then direct you into my arms

Into my arms, O Lord
Into my arms, O Lord
Into my arms, O Lord
Into my arms

And I don't believe in the existence of angels
But looking at you I wonder if that's true
But if I did I would summon them together
And ask them to watch over you
To each burn a candle for you
To make bright and clear your path
And to walk, like Christ, in grace and love
And guide you into my arms

Into my arms, O Lord
Into my arms, O Lord
Into my arms, O Lord
Into my arms

But I believe in Love
And I know that you do too
And I believe in some kind of path
That we can walk down, me and you
So keep your candles burning
And make her journey bright and pure
That she will keep returning
Always and evermore

Into my arms...

7. The Cure – Lovesong

whenever i'm alone with you
you make me feel like i am home again
whenever i'm alone with you
you make me feel like i am whole again

whenever i'm alone with you
you make me feel like i am young again
whenever i'm alone with you
you make me feel like i am fun again

however far away
i will always love you
however long i stay
i will always love you
whatever words i say
i will always love you
i will always love you

whenever i'm alone with you
you make me feel like i am free again
whenever i'm alone with you
you make me feel like i am clean again

however far away
i will always love you
however long i stay
i will always love you
whatever words i say
i will always love you
i will always love you

8. 3 Doors Down – Here Without You

A hundred days have made me older, since the last time that I
saw your pretty face

A thousand lies have made me colder and I don't think I can
look at this the same

But all the miles that separate

They disappear now when I'm dreaming of your face

I'm here without you baby, but you're still on my lonely mind

I think about you baby, and I dream about you all the time

I'm here without you baby, but you're still with me in my
dreams

And tonight, there's only you and me (yeah)

The miles just keep rolling, as the people leave their way to
say hello

I've heard this life is overrated, but I hope that it gets better as
we go (ooh yeah yeah)

I'm here without you baby, but you're still on my lonely mind

I think about you baby and I dream about you all the time

I'm here without you baby, but you're still with me in my
dreams

And tonight girl, it's only you and me

Everything I know and anywhere I go (yeah)

It gets hard but it won't take away (yeah yeah yeah) my love

And when the last one falls, when it's all said and done

It gets hard but it won't take away my love (ooh ooh ooh)

I'm here without you baby, but you're still on my lonely mind

I think about you baby and I dream about you all the time

I'm here without you baby, but you're still with me in my
dreams

And tonight girl, it's only you and me (yeah)

(oh yeah, ooooh, oooooooh)

(I'm all alone)

9. Coldplay – Yellow

Look at the stars look how they shine for you
and everything you do
Yeah, they were all yellow

I came along, I wrote a song for you
And all the things you do
And it was called "Yellow"

So then I took my turn
Oh what a thing to have done
And it was all "Yellow"

And Your skin, oh yeah your skin and bones
Turn into something beautiful
You know
You know I love you so
You know I love you so

I swam across, I jumped across for you
Oh what a thing to do
'Cuz you were all yellow

I drew a line; I drew a line for you
Oh what a thing to do
And it was all "Yellow"

And your skin, oh yeah your skin and bones
Turn into something beautiful
And you know
For you I'd bleed myself dry
For you I'd bleed myself dry

It's true
Look how they shine for you (5x)
Look how they shine

Look at the stars
Look how they shine for you
And all the things that you do

10. Athlete – Tourist

This European air,
It always warms my face,
I wish I could buy some.

I will bring you stories,
And bleary eyed photos,
Like a regular tourist.

We don't go breaking down,
I feel like nothing ever will,
We don't go breaking down,
I feel like nothing.

Suitcases down our street,
Are rolling once again,
I roll away with them,
Five days inside Zoo York,
To lose myself with friends,
I'm nowhere without you.

We don't go breaking down,
I feel like nothing ever will,
We don't go breaking down
(I don't believe)
I feel like nothing ever will,(we will)
We will never go breaking down,
I feel like nothing.

Just wanna be with you, my baby
Just wanna be with you, my baby
Just wanna be with you, my baby
Just wanna be with you, my baby

I'm counting up the cost of time,
And will embrace our time away,
We cannot save ourselves alone,
Or rely on a mobile phone. (Then repeated behind final verse)

Just wanna be with you, my baby...

11. Incubus – I Miss You

To see you when I wake up
Is a gift I didn't think could be real.
To know that you feel the same as I do
Is a three-fold, Utopian dream.

You do something to me that I can't explain.
So would I be out of line if I said "I miss you"?

I see your picture.
I smell your skin on
The empty pillow next to mine.
You have only been gone ten days,
But already I'm wasting away.
I know I'll see you again
Whether far or soon.
But I need you to know that I care,
And I miss you.

12. The Feeling – I Want You Now

It's never gonna work, I don't know what I'm doing in here
My evenings go beserk every time your voice gets near
But when I get under control, I see you ache for it and all
I've got some sugar for your bowl
I've got some loving for your soul
Some twinkle for your eyes, I
Getting sick of being just alone

They think it's not right, fine
Each to their very little own

I want you now, I don't care how
We're both too young to be sitting around
I want you now, I want you now
You make me sure, you make me live
And that's worth more than I ever could give
I don't know how, I want you now

So Timmy goes to school and Timmy goes to work all day
But we just hang around and think of clever things to say
You deserve to get your wish
But you don't know what it is
First it was that and now it's this
But there's one thing that you missed.

Together we'd be fine, fine
At least we can say we won't be lonely

Fine, Fine, I never want to be alone

refrein

I want you now
I don't care how
We're both too young to sit around
I want you know

refrein

13. Postal Service – Such Great Heights

I am thinking it's a sign
that the freckles in our eyes are mirror images
and when we kiss they're perfectly aligned
And I have to speculate
that God himself did make
us into corresponding shapes
like puzzle pieces from the clay

It's true, it may seem like a stretch
but its thoughts like this that catch
my troubled head when you're away
when I am missing you to death
when you are out there on the road
for several weeks of shows
and when you scan the radio
I hope this song will guide you home

they will see us waving from such great heights,
"come down now", they'll say
but everything looks perfect from far away,
"come down now", but we'll stay...

I tried my best to leave
this all on your machine
but the persistent beat it sounded thin
upon listening
and that frankly will not fly
you will hear the shrillest highs
and lowest lows with the windows down
when this is guiding you home

they will see us waving from such great
heights,
"come down now", they'll say
but everything looks perfect from far away
"come down now", but we'll stay...

14. Jack Johnson – Better Together

There's no combination of words
I could put on the back of a postcard
No song that I could sing
But I can try for your heart
our dreams, and they are made out of real things
like a shoebox of photographs
with sepia-toned loving
Love is the answer
at least for most of the questions in my heart
Why are we here? And where do we go?
And how come it's so hard?
It's not always easy and
sometimes life can be deceiving
I'll tell you one thing, it's always better when we're together

Mmmm, It's always better when we're together
Yeah we'll look at the stars when we're together
Well, it's always better when we're together
Yeah it's always better when we're together

And all of these moments
just might find their way into my dreams tonight,
But I know that they'll be gone
when the morning light sings
and brings new things
for tomorrow night you see
that they'll be gone too,
too many things I have to do
But if all of these dreams might find their way
into my day to day scene
I'd be under the impression
i was somewhere in between
With only two,
Just me and you,
Not so many things we got to do
or places we got to be
We'll sit beneath the mango tree now,

Yeah It's always better when we're together
Mmmm, we're somewhere in between together
Well, it's always better when we're together
Yeah, it's always better when we're together

I believe in memories
they look so, so pretty when I sleep
And now when, when I wake up,
you look so pretty sleeping next to me
But there is not enough time,
There is no, no song I could sing
and there is no combination of words I could say
but I will still tell you one thing
We're Better together

15. Eels – It's a Motherfucker

It's a Motherfucker
Being here without you
thinking 'bout the good times
thinkin 'bout the bad
And I won't ever be the same

It's a Motherfucker
Getting through a Sunday
Talking to the walls just me again

But I won't ever be the same
I won't ever be the same

It's a Motherfucker
How much I understand
The feeling that you need someone
To take you by the hand

And you won't ever be the same
You won't ever be the same

16. Kiss – I Was Made For Lovin' You

Do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do
Tonight I wanna give it all to you
In the darkness
There's so much I wanna do
And tonight I wanna lay it at your feet
'Cause girl, I was made for you
And girl, you were made for me

I was made for lovin' you baby
You were made for lovin' me
And I can't get enough of you baby
Can you get enough of me

Tonight I wanna see it in your eyes
Feel the magic
There's something that drives me wild
And tonight we're gonna make it all come true
'Cause girl, you were made for me
And girl I was made for you

I was made for lovin' you baby
You were made for lovin' me
And I can't get enough of you baby
Can you get enough of me

I was made for lovin' you baby
You were made for lovin' me
And I can give it all to you baby
Can you give it all to me

Oh, can't get enough, oh, oh
I can't get enough, oh, oh
I can't get enough
Yeah, ha

Do, do, do, do, do, do, do, do, do

Do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do

I was made for lovin' you baby
You were made for lovin' me
And I can't get enough of you baby
Can you get enough of me

Oh, I was made, you were made
I can't get enough
No, I can't get enough

I was made for lovin' you baby
You were made for lovin' me
And I can't get enough of you baby
Can you get enough of me

I was made for lovin' you baby
You were made for lovin' me
And I can give it all to you baby

17. Pink Floyd – Wish You Were Here

So, so you think you can tell
Heaven from Hell,
Blue skys from pain.
Can you tell a green field
From a cold steel rail?
A smile from a veil?
Do you think you can tell?

Did they get you to trade
Your heroes for ghosts?
Hot ashes for trees?
Hot air to a cool breeze?
Cold comfort for change?
Did you exchange
A walk on part in the war,
For a lead role in a cage?

How I wish, how I wish you were here.
We're just two lost souls
Swimming in a fish bowl,
Year after year,
Running over the same old ground.
What have we found?
The same old fears.
Wish you were here.

18. Saybia – It's Ok Love

Caught in a well
between heaven and hell
it's getting lonely out here
highways and hotels
and headliner shows
it's all just making me sad
Sorry if I ever let you down
I never meant to
stayed inside the only world I knew
'till I forgot
that nothing is as beautiful as when
I am with you
and life isn't life out there
without you here
Just when I thought
there was nobody out there
no one who quite understood me
I glanced to the side
and I found you there smiling
patiently holding my hand
saying over and over
it's ok love, easy love, I'm here
So finally I'm ready to reveal
what my heart tells me
bring out all that's good inside of me
and let it shine
knowing that I'll never be alone
while I'm with you
and that life isn't life out there
without you here
Just when I thought
there was nobody out there
no one who could quite understood me
I glanced to the side
and I found you there smiling
patiently holding my hand
saying over and over
it's ok love, easy love
I'm yours

19. Bill Withers – Ain't No Sunshine

Ain' no sunshine when she's gone
It's not warm when she's away
Ain' no sunshine when she's gone
And she always gone too long
Anytime she goes away

Wonder this time where she's gone
Wonder if she's gone to stay
Ain' no sunshine when she's gone
An' 'is house just ain' no home
Anytime she goes away

I know (26x)

Hey, I oughtta leave that young thing alone but
Ain' no sunshine when she's gone
Ain' no sunshine when she's gone
Only darkness everyday
Ain' no sunshine when she's gone
And she's house just ain' no home
Anytime she goes away
Anytime she goes away
Anytime she goes away
Anytime she goes away

20. Barry Manilow – Mandy

I remember all my life raining down as cold as ice.
Shadows of a man, a face through a window cryin' in the night,
the night goes into
Morning just another day;
happy people pass my way.
Looking in their eyes,
I see a memory I never realized
how happy you made me.
Oh Mandy well,
you came and you gave without taking,
but I sent you away.
Oh, Mandy well,
you kissed me and stopped me from shaking,
and I need you today. Oh, Mandy!
I'm standing on the edge of time;
I walked away when love was mine.
Caught up in a world of uphill climbing,
the tears are in my mind
and nothin' is rhyming.
Oh Mandy well,
you came and you gave without taking,
but I sent you away.
Oh, Mandy well,
you kissed me and stopped me from shaking,
and I need you today. Oh, Mandy!
Yesterday's a dream, I face the morning
cryin' on a breeze, the pain is callin'
Oh Mandy well,
you came and you gave without taking,
but I sent you away.
Oh, Mandy well,
you kissed me and stopped me from shaking,
and I need you today
Oh Mandy,
you came and you gave without taking,
but I sent you away.
Oh, Mandy,well
you kissed me and stopped me from shaking,
and I need you!

21. The Doors – Hello I Love You

Hello, I love you
Won't you tell me your name?
Hello, I love you
Let me jump in your game
Hello, I love you
Won't you tell me your name?
Hello, I love you
Let me jump in your game
She's walking down the street
Blind to every eye she meets
Do you think you'll be the guy
To make the queen of the angels sigh?
Hello, I love you
Won't you tell me your name?
Hello, I love you
Let me jump in your game
Hello, I love you
Won't you tell me your name?
Hello, I love you
Let me jump in your game
She holds her head so high
Like a statue in the sky
Her arms are wicked, and her legs are long
When she moves my brain screams out this song
Sidewalk crouches at her feet
Like a dog that begs for something sweet
Do you hope to make her see, you fool?
Do you hope to pluck this dusky jewel?
Hello, Hello, Hello, Hello, Hello, Hello, Hello
I want you
Hello
I need my baby
Hello, Hello, Hello, Hello

22. R.E.M. – Half A World Away

This could be the saddest dusk
I've ever seen
Turn to a miracle
High alive
My mind is racing
As it always will
My hand is tired, my heart aches
I'm half a world away here
My head sworn
To go it alone
And hold it along
Haul it along
And hold it
Go it alone
Hold it along and hold, hold

This lonely deep sit hollow
I'm half a world
Half the world away
My shoes are gone
My life spent
I had too much to drink
I didn't think
And I didn't think of you
I guess that's all I needed
To go it alone
And hold it along
Haul it along
And hold it
Blackbirds, backwards, forwards and fall and hold, hold

Oh, this lonely world is wasted
Pathetic eyes high alive
Blind to the tide that turns the sea
This storm it came up strong
It shook the trees
And blew away our fear
I couldn't even hear

To go it alone
And hold it along
Haul it along
And hold it
To go it alone
And hold it along
Haul it along
To go it alone
And hold it along
Haul it along
And hold it
Blackbirds, backwards, forwards, and fall and hold hold

This could be the saddest dusk
I've ever seen
Turn to a miracle
High alive
My mind is racing
As it always will
My hands tired, my heart aches
I'm half a world away and go

23. Kashmir – Miss You

there's a shark deep down under
I try to call her name
but the dark waters between us
makes me call in vain

surfing on the surface
with my fingers in the water

but she seems to have lost her
interest in meat

I miss you all the time
though you sit next to me
I hope you feel just fine
wherever you may be
whatever's in your way

among the few indulgent sailors
I am the patient one
you're the muse
so involved with
the fingers in your hair

i miss you all the time...

I pray for you
for your return
in me you will forever burn

24. Aerosmith–Don't Want to Miss a Thing

I could stay awake just to hear you breathing
Watch you smile while you are sleeping
While you're far away and dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Where every moment spent with you is a moment I treasure

Don't want to close my eyes
I don't want to fall asleep
Cause I'd miss you babe
And I don't want to miss a thing
Cause even when I dream of you
The sweetest dream will never do
I'd still miss you babe
And I don't want to miss a thing

Lying close to you feeling your heart beating
And I'm wondering what you're dreaming
Wondering if it's me you're seeing
Then I kiss your eyes
And thank God we're together
I just want to stay with you in this moment forever
Forever and ever

I don't want to close my eyes
I don't want to fall asleep
Cause I'd miss you babe
And I don't want to miss a thing
Cause even when I dream of you
The sweetest dream will never do
I'd still miss you babe
And I don't want to miss a thing

I don't want to miss one smile
I don't want to miss one kiss
I just want to be with you
Right here with you, just like this
I just want to hold you close
Feel your heart so close to mine

And just stay here in this moment
For all the rest of time Yeah yeah yeah

I don't want to close my eyes
I don't want to fall asleep
Cause I'd miss you babe
And I don't want to miss a thing
Cause even when I dream of you
The sweetest dream will never do
I'd still miss you babe
And I don't want to miss a thing

I Don't want to close my eyes
I don't want to fall asleep
Cause I'd miss you babe
And I don't want to miss a thing
Cause even when I dream of you
the sweetest dream will never do
I'd still miss you babe
And I don't want to miss a thing

Don't want to close my eyes
I don't want to fall asleep
And I don't want to miss a thing

25. Incubus – Wish You Were Here

I dig my toes into the sand
The ocean looks like
A thousand diamonds
Strewn across a blue blanket
I lean against the wind
Pretend that I am weightless
And in this moment
I am happy, happy
I, wish you were here
I, wish you were here
I, wish you were here
I, wish you were
Here
I lay my head onto the sand
The sky resembles
A backlit canopy
With holes punched in it
I'm counting UFOs
I signal them with
My lighter
And in this moment
I am happy, happy
I, wish you were here
I, wish you were here
I, wish you were
Here
Wish you were here
I, oh
The world's a rollercoaster
And I am not strapped in
Maybe I should hold with care
While my hands are
Busy in the air
Saying
I, wish you were here
I, wish you were
I, wish you were here
I, wish you were here...

26. Air – Cherry Blossom Girl

I don't want to be shy
Can't stand it anymore
I just want to say 'Hi'
To the one I love
Cherry blossom girl
I feel sick all day long
From not being with you
I just want to go out
Ever night for a while
Cherry blossom girl
Tell me why can't it be true
I never talk to you
People say that I should
I can pray everyday
For the moment to come
Cherry blossom girl
I just want to be sure
When I will come to you
When the time will be gone
You will be by my side
Cherry Blossom Girl
Tell me why can't it be true (2x)
Cherry Blossom Girl (2x)
I'll never love again
Can I say that to you
Will you run away
If I try to be true
Cherry blossom girl
Cherry blossom girl
I'll always be there for you
That means no time to waste
Whenever there's a chance
Cherry blossom girl
Tell me why can't it be true (2x)

27. Dido – Here With Me

I didn't hear you leave,
I wonder how am I still here
I don't want to move a thing,
It might change my memory

Oh I am what I am,
I'll do what I want, but I can't hide
And I won't go, I won't sleep,
I can't breathe, until you're resting here with me
And I won't leave, and I can't hide,
I cannot be, until you're resting here with me.

I don't want to call my friends,
They might wake me from this dream
And I can't leave this bed,
Risk forgetting all that's been

Oh I am what I am,
I'll do what I want, but I can't hide
And I won't go, I won't sleep,
And I can't breathe, until you're resting here with me
And I won't leave, and I can't hide,
I cannot be, until you're resting here with me

28. Michael Buble – Home

Another summer day
Has come and gone away
In Paris or Rome
But I wanna go home
Mmmmmmmmm

May be surrounded by
A million people I
Still feel all alone
Just wanna go home
Oh I miss you, you know

And I've been keeping all the letters that I wrote to you
Each one a line or two
"I'm fine baby, how are you?"
Well I would send them but I know that it's just not enough
My words were cold and flat
And you deserve more than that

Another aeroplane
Another sunny place
I'm lucky I know
But I wanna go home
Mmmm, I gotta go home

Let me go home
I'm just too far from where you are
I wanna come home

And I feel just like I'm living someone else's life
It's like I just stepped outside
When everything was going right
And I know just why you could not come along with me
This was not your dream
But you always believed in me

Another winter day has come
And gone away

In even Paris and Rome

And I wanna go home
Let me go home

And I'm surrounded by
A million people I
Still feel alone
Let me go home
Oh, I miss you, you know

Let me go home
I've had my run
Baby, I'm done
I gotta go home
Let me go home
It'll all be alright
I'll be home tonight
I'm coming back home

29. Solo – Come Back To Me

You got to come back to me,
I'll paint you the picture.
I'll write you poetry,
devote my life to all you need is love.
Although I prefer to be,
somewhat lonesome
And comfort worries me,
You unleash an awful lot of.
Take my hand,
bend my will.
Hold me tight,
kiss and thrill.
But give me a life before you leave,
because you got to come back to me.
You got to make way for me.
You got to come back to me.
And tell me I'm not the only one in love.
You got to come back to me.
home's where the hurt is/
Where hugs and hostility,
go hand in hand,
with elegance and ease.
Crack your whip,
break my will.
Hold me tight,
kiss me still.
But give me your love before you leave,
because you got to come back to me.

30. Franz Ferdinand – Come on Home

Although my lover lives
In a place that I can't live
I kind of find I like a life
This lonely
It rips and pierces me
In places I can't see
I love the rip of nerves
The rip that wakes me
So I'm dissatisfied
I love dissatisfied
I love to feel there's always more that I need
So come on home
So come on home
So come on - home home
You're where you want to be
I'm where I want to be
Come on we're chasing
Everything we've ever wanted
I Replace you easily
Replace pathetically
I flirt with every flighty thing
That falls my way
But how I needed you
When I needed you
Let's not forget
We are so strong
So bloody strong
Come on home
So come on home
So come on - home, home
Blue light falls
Upon your perfect skin
Falls and you draw back again
Falls and this is how I fell
And I cannot forget this
I cannot forget this
Come on home
So come on home
But don't forget to leave
